Re: United States v. Shahnti O'Neill

CR 10 300

Dear Judge Townes:

I represent Shahnti O'Neill. As you are aware, Mr. O'Neill was granted permission to travel to Japan on September 14, 2010 to September 30 2010. This letter is written to request that the dates of travel be changed to September 20, 2010 through October 8, 2010.

Apparently, due to production delays regarding the apparel order they are manufacturing for the yoga convention, Mr. O'Neill and Ms. Keen will not be leaving for Japan until September 20, 2010. They cannot leave until the order is shipped. The convention is still being held on the same dates but all their press interviews and appearances have been rescheduled. As I pointed out in the earlier correspondence to the Court, which prompted your Honor to grant the travel application, inasmuch as this trip is only made once a year, Mr. O'Neill and Ms. Keen have scheduled many interviews and appearances.

The government, through assistant United States attorney Steven Tiscione consents to the change of dates and the granting of this application.

For the foregoing reason, it is respectfully requested that the Court grant a change in my client's travel dates and allow him to travel to Japan on September 20, 2010 and return October 8, 2010. All other travel related details will remain the same.

Very truly yours,

/s/
